Education

University of Missouri - Columbia, Missouri
MA, French Language Teaching

Lee University - Cleveland, Tennessee
BA, French

Web Development Experience

- Worked alongside Bob Waycott to update and reorganize a piece of proprietary software for a client
- Created digital versions of language learning materials for McGraw-Hill using their proprietary ecosystem, Connect (proprietary)
- Created two websites for a fellow French Professor at the University of Minnesota containing reading materials as well as activities for students, which were used by French faculty across the nation
- Created a personal website for a local musician (no longer online)
- Volunteered to help design and maintain the website for Sojourn Campus Church in Minneapolis
- Built and maintained a Wordpress blog for a few years (no longer online)
